A NIGHT AT THE RACES
PAGE 6

C.A.M.P. UNIVERSITY PROVIDES OPPORTUNITIES FOR ADULTS WITH SPECIAL NEEDS TO CONTINUE DEVELOPING INTERESTS. EXPERIENCING LIFE, SOCIAL, AND JOB SKILLS SO THAT THEY CAN ACHIEVE THEIR MAXIMUM POTENTIAL. CAMP UNIVERSITY ALSO PROVIDES RESPITE AND SUPPORT FOR THEIR FAMILIES.

Jason Leal

Board Member

After high school, options are limited for adults with intellectual disabilities. They often feel isolated, which can cause regression. It also takes a toll on their parents and/or caregivers.

With the creation of CAMP University (CAMP) by Ford, Abbie, and Amanda Sasser, CAMP provides a safe place where these adults can continue to grow, build lasting friendships, and learn life skills. A place where students get to experience life to the fullest!

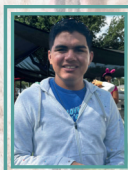

Many years ago, I was introduced to CAMP by my good friend, Ford and from day one, I was a great supporter of CAMP and its mission. What an amazing organization that can and is making a difference!

From the beginning, I supported and attended the annual fundraiser, A Night at the Races, and then, I was fortunate to be asked to be on the Board of CAMP University. My appreciation for the services that CAMP provides daily to its students and families through education, support and advocacy has continued to grow. I have greatly enjoyed my time on the Board as well as supporting the organization throughout many years. CAMP has seen tremendous growth with a new facility, more services, and thus, the ability to help more students.

My wife, Cindy, also volunteers her time for the annual fundraiser, A Night at the Races. For her and me, getting involved with CAMP was an obvious decision and we hope our time and commitment will have a positive impact. We find great reward in being a part of something so impactful.

Cindy and I encourage you to continue to support CAMP and the services it provides. Every student of CAMP is deserving of care, understanding, compassion and a pathway to hope.

NEWEST FACES @ CAMP

Daniel is the friendliest high-fiver around, throwing fist bumps like confetti! Plus, he's a puzzle wizard.

Angel is a creative genius! He whips up stunning artwork and can bust a move on the dance floor like nobody's business!

Sebastian's imagination is a fireworks show of creativity! He's a friend-making machine and speaks two languages like a pro!

Diego is a warm-hearted soul, delighting in a tapestry of diverse activities.

Abel is like a triple scoop of sweetness with a side of independence! This guy is not only super respectful but also works hard.

Tiffany's a chatty queen when it comes to all things girl talk, and she's got her independence game on lock!

Andrew is all about hanging with his pals and getting crafty like a boss!

Alfonso is a spirited soul, brimming with joy as he delights in forging new friendships, dancing, and singing with abandon.

C.A.M.P. GROWTH

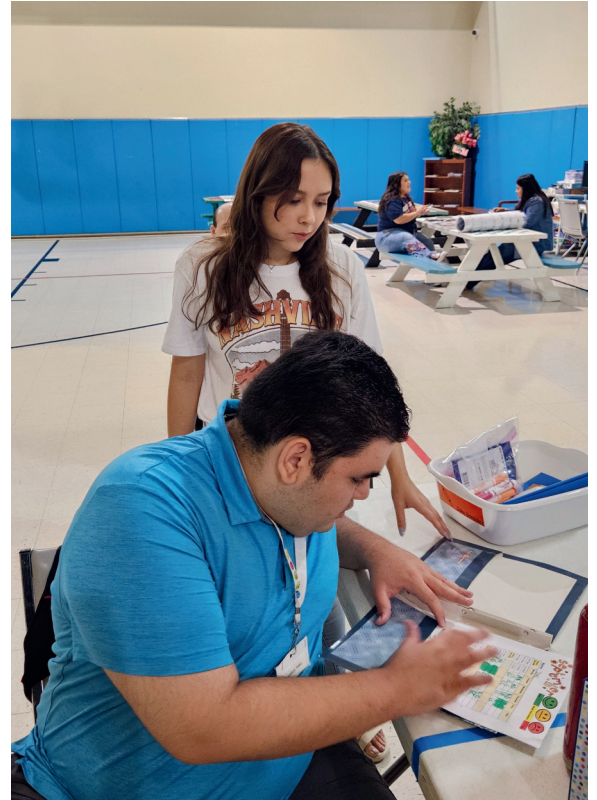

In 2024, C.A.M.P. University has seen remarkable growth, welcoming 8 wonderful new CAMPers to our community. To support this expansion, we are also increasing our staff to ensure a teacher-to-CAMPer ratio of 6:1. We are excited to introduce two new team members: Emily Cruz and Iniel Bustos.

Emily joined us as an intern from UTRGV and has since earned a Bachelor of Science degree from the College of Health Professions, specializing in Rehabilitation Services.

Iniel dedicated five years to the Marine Corps before continuing his education at UTRGV, where he is majoring in Exercise Science with a focus on Physical Therapy. He began his journey at CAMP as a volunteer to meet class requirements, but enjoyed the experience so much that he continued volunteering until he was offered a position.

“My role here at C.A.M.P. University is to provide the necessary life skills that these students need in order to have a prosperous and successful life. My vision is to promote as much independent living skills as possible in order for these students to achieve their maximum potential.”

-Emily

“The vision I have for my role at CAMP University is to help each individual, albeit CAMPer or staff, reach their maximum physical potential, and to promote an active and healthy lifestyle through regular exercise, nutrition, and good habits”

-Iniel

C.A.M.P. LIFE

This summer at CAMP, we initiated a lemonade stand fundraiser designed to enhance community awareness while imparting essential business and customer service skills. Over the course of two days, C.A.M.P. University successfully raised approximately \$5,000. The CAMPers had a fantastic time serving the community and felt especially honored when first responders stopped by for a refreshing glass of lemonade. The funds raised will be used for classroom supplies for teachers and will also help fund a beach field trip this November.

We were also delighted to host volunteers from Valley Baptist Missions Education Center, Woodland Hills Baptist Church, Believers Fellowship Church, and Grow Church. Their presence filled our building with joy through laughter, singing, plays, and games, as they generously shared their love for Christ. In addition, they assisted with painting, cleaning, and organizing several rooms. Their efforts left a lasting impact on our campus, transforming it into a more vibrant and welcoming environment for everyone.

C.A.M.P. LIFE

This summer, the CAMPers enjoyed a visit to McAllen Fire Station #4, where they gained insights into fire safety and observed the ARFF truck in action. They also delved into emotions during a movie outing to watch Inside Out 2 and had a blast with water fights. Additionally, they celebrated birthdays, engaged in regular classroom learning, and prepared for a play scheduled for this November. Each activity and shared experience adds to a summer filled with laughter, learning, and unforgettable memories.

C.A.M.P. COMMUNITY

The success of CAMP heavily depends on community support. Recently, we had the opportunity to tour El Pollo Loco, thanks to our supporter, Mark Wright. During our visit, we gained valuable insights into the restaurant's operations and savored a wonderful lunch.

We were also delighted to enjoy a tasty treat at Golden Ice Cream, thanks to our longtime supporters, Cole and Allison Abbott. The highlight of this experience was knowing that the owner of Golden Ice Cream actively supports and employs individuals with intellectual and developmental disabilities.

25 Days of Giving

This December, let's unite as a community for 25 Days of Giving. Each day, find an opportunity to assist someone and spread happiness. C.A.M.P. University will engage in a daily activity from December 1st to 25th and will share our experiences on social media. Together, we can light up the holiday season with kindness and generosity. Whether it's volunteering at a local shelter, donating to a food bank, or simply helping a neighbor with their groceries, every small act of kindness counts. We encourage everyone to join us in making a positive impact and to share their own stories and ideas. Together, we can make this December a month to remember! #CAMP25GIVE

<input type="checkbox"/> Donate to a local food bank	<input type="checkbox"/> Bake cookies for 1st responders
<input type="checkbox"/> Donate pet supplies	<input type="checkbox"/> Tell family members you love them
<input type="checkbox"/> Donate on GivingTuesday	<input type="checkbox"/> Write letters to deployed soldiers

A Night at the Races

WE ARE ALL A LITTLE BROKEN AND
IMPERFECT, BUT WHEN WE COME TOGETHER
WE CREATE A BEAUTIFUL MOSAIC.

A Night at the Races was an exceptional event. The evening featured both silent and live auctions, opportunities to place bets on horse races, a raffle, and contests for the Best Hat and Dapper Dude. Attendees enjoyed delicious food, refreshing cocktails, and an array of entertainment.

As our most significant fundraising event of the year, this occasion was critical for our continued growth. We have successfully surpassed our pre-COVID admission numbers, allowing us to implement a small group, traditional classroom rotation system. Our campers benefit from regular exposure to life skills, vocational training, and physical education classes, complemented by music, art, culinary classes, and enriching field trips throughout the month.

We do charge tuition to our families, it only covers one-third of the overall cost of attending C.A.M.P. University. The remaining funding is secured through donations, fundraising events, and grants. Your support is invaluable to us and enables us to fulfill our mission. We cannot achieve these goals without your continued assistance!

We sincerely thank all our sponsors, volunteers, and attendees who made A Night at the Races a memorable success. Your generosity and enthusiasm fuel the dreams of our CAMPers, providing them with the resources and opportunities they deserve. Each contribution, whether big or small, plays a vital role in shaping a brighter future for our community.
