C.A.M.P. UNIVERSITY PROVIDES OPPORTUNITIES FOR ADULTS WITH SPECIAL NEEDS TO CONTINUE DEVELOPING INTERESTS. EXPERIENCING LIFE, SOCIAL, AND JOB SKILLS SO THAT THEY CAN ACHIEVE THEIR MAXIMUM POTENTIAL. CAMP UNIVERSITY ALSO PROVIDES RESPITE AND SUPPORT FOR THEIR FAMILIES.

Patrick Moore

Board Member

I first learned about CAMP University through my good friend, Emily Sasser, and her parents, Ford and Abbie. I was unaware of the challenges families face when their young children with learning differences graduate from high school. I learned the options were few and often quite grim outside of the home, with many young, vibrant individuals relegated to adult daycare facilities while their parents were at work.

I firmly believe God chooses individuals to carry out His mission, and often the chosen are wholly unaware of His plan for many years. When a parent learns that their child is diagnosed with an intellectual, physical or developmental difference, most families enter survival mode: their vision narrows to the immediate future. "Does our child require medical treatment in-utero?" "How will we handle the extra responsibility—and cost—of ongoing medical needs, etc.?" "Am I even strong enough to walk this road?" "How, and why, did this happen?" The questions and concerns mount to an overwhelming degree. But how beautiful it is to serve a creator whose vision exceeds ours.

When Emily graduated high school, the Sassers confronted a scenario facing every family who shares their experience. Were it not for their personal need, C.A.M.P. University may never have sprouted, and our CAMPers would not have this haven to develop and grow alongside their friends. God knew who he chose, and he chose wisely.

On March 5, 2022, my family welcomed to this world our greatest blessing imaginable: Jamison Patrick Moore. Learning that my wife, Courtney, was pregnant, we were excited and poised. After all, this was our third child; we were seasoned pros. Thirteen weeks into the pregnancy, we received news that changed our lives forever: there was a 98% chance Jamison had Down syndrome. (It turns out he 100% has Down syndrome, by the way.) Poise turned to fear and uncertainty.

Thankfully, God placed a tremendous community around us. Fear and uncertainty turned to resilience and preparation. Our son is our son, and our son is so much more than a diagnosis. The people God chose to walk this path before us loved and guided us along the way. They were an absolute blessing. And when we finally met Jamison in the flesh, we knew our lives changed for the better; our daughters' lives changed for the better; the world changed for the better.

Jamison is three years old, happy, stubborn, and an unbridled blast to be around. He turns the worst day into the best—every single time. Every family CAMP serves has their Jamison. Each CAMPer has unique needs, but one need is certain: they need, and deserve, people that value, cherish and challenge them. CAMP University is that home-away-from-home, and a community of support for CAMPers and their families.

It is an honor and a privilege to serve on CAMP's Board of Directors. I have learned so much about the work and sacrifice it takes to keep this organization running, and I count it pure joy to play a small role in its success. The staff works tirelessly to ensure each CAMPer and their families have the best experience possible. I encourage anyone and everyone to support CAMP in any way feasible. Their mission is unmatched, and our CAMPers are worth it.

NEWEST FACES @ CAMP

David's all about Sonic, tickling the ivories, and chatting up a storm about anything Wii game-related!

Matthew V. kicks off every meeting with his iconic handshake flair. He's also a puzzle-solving maestro with his pals.

Brandon might be a bit reserved, but when the music kicks in, he's a superstar bursting with brilliance!

Matthew M. is a dancing machine! Normally the strong, silent type, but with his pals, he's all giggles and grins.

Madison is all about belting out Taylor Swift tunes. She's also a big fan of chatting about her family, who hold a special place in her heart.

Kisai is all about jamming to Selena Quintanilla, busting out dance moves, and chitchatting with her pals!

Stephanie T. is a chatterbox when it comes to fashion and retail therapy with her pals. She's also a craft queen, snipping and gluing her way to creative bliss!

Xavier's grin is brighter than sunshine! He's a dancing machine and has shimmied his way through more Bloom Fitness classes than anyone else.

C.A.M.P. GROWTH

Our team has gone through some exciting changes and growth lately. Please join us in welcoming our new teachers, Bryanna, Celeste, Danyella, and Edna! At present, we are supporting 61 CAMPers, with an average of 35 attending daily. The daily operating cost for the CAMP with 35 participants amounts to \$2,625, while tuition only covers \$875 of that cost. As we continue to grow, we greatly appreciate your support.

"Being a part of CAMP inspires me in many ways. I look forward to empowering CAMPers, collaborating with my team, and sharing my creativity, all while having fun doing it. Every day is filled with opportunities to grow, learn, and create friendships that last a lifetime. The supportive atmosphere and positive energy makes this place, where everyone truly shines!"

-Bryanna

My internship ended in 2023 and I've always wanted to come back to C.A.M.P. University. Since I was little, my goal has always been to help others. It's such a blessing to be able to work at CAMP, I'm very excited for this new opportunity and hope to make a positive impact on each CAMPer's life.

-Edna

Being a part of CAMP has made such a powerful impact on my life. I love how involved CAMP is in the community, and I feel so much joy being with the CAMPers. I am incredibly blessed to work alongside such amazing CAMPers and staff who inspire me daily. I will forever be grateful to God for leading me to C.A.M.P. University, a place that feels like family and fills my heart with purpose.

-Celeste

C.A.M.P. University has opened my eyes to such an amazing population and community. Each day is so different from one another and it truly is a blessing to be a part of a hard working team and help make an impact. The days spent at C.A.M.P. University are rewarding and seeing all of the hard work and dedication pay off is truly priceless. My heart has never been filled with such joy and gratitude. I am truly thankful that I am here and I am proud to be part of the team.

-Danyella

We cordially invite you to visit C.A.M.P. University on December 2nd. Here's what you can look forward to:

- A guided tour of our facility to uncover the true essence of CAMP.
- Enjoy delicious refreshments prepared by our talented CAMPers.
- Explore and purchase unique crafts made by our CAMPer artisans, available for sale.
- Discover exciting plans for the future of CAMP, showcasing the dreams of C.A.M.P. Work and C.A.M.P. Living, which may one day become a reality at C.A.M.P. University.

C.A.M.P. LIFE

Lions Park Field Trip

Earlier this year, Lions Park in Mission unveiled its all-inclusive playground. The CAMPers had a fantastic time exploring all the equipment, with smiles and laughter filling the air all day long. To top off this wonderful day, our CAMP Parent, Mr. Quiroz, the owner of Natural Born Grillers, treated us to delicious burgers and hotdogs.

Water Day

How can you combat the sweltering summer heat? By having an exhilarating water fight! Water Day not only provided a break from the heat but also fostered camaraderie and teamwork. It was a reminder that sometimes the simplest activities bring the greatest joy, and at CAMP, the spirit of fun and friendship is always in full flow.

Lemonade Stand

Our 2nd annual Lemonade Stand was a success

- The CAMPers purchased supplies, prepared the lemonade, and served it to the public.
- This experience provided countless lessons in teamwork, community outreach, and hard work, all accompanied by cheers and smiles.

Thanks to your donations, we bought classroom supplies and organized a special celebration for the CAMPers.

Church Visits Coordinated by Valley Baptist Missions Education Center

In recent months, the CAMPers have been fortunate to receive mission visits from Westbury Baptist Church, First Woodway Baptist Church, and Rice Baptist Church. The missionaries engage in a variety of activities, including organizing games, skits, and crafts. They also assist with organizing, cleaning, building, and much more.

C.A.M.P. LIFE

Pharr Fire Department

The Pharr Fire Department came to our location to educate the CAMPers about fire safety. They explained the various components of their uniforms and how these elements protect them from heat and smoke. Additionally, each CAMPer had the opportunity to "put out a fire" using the fire hose.

**YOUR SUPPORT ENABLES
US TO OFFER AN

Talent Show

This year, the CAMPers dazzled us with their skills in a "Dancing Through the Decades" talent show. We danced our way from Lynyrd Skynyrd to Selena Gomez! The CAMPers dedicated themselves to perfecting their performances and bravely conquered their fears to impress the audience.

McAllen Police Department

The McAllen Police Department also joined us for a visit. They covered important topics such as Halloween safety, the significance of honesty, and how to respond in emergencies. Every CAMPer had the opportunity to sit in the patrol car and explore the motorcycle.

C.A.M.P. COMMUNITY

Oh Kay's, McAllen Stained Glass, Lee's Pharmacy, KURV 710 & Grants

What started as an art project now carries the potential to become a significant funding source for CAMP. McAllen Stained Glass has provided campers the opportunity to create butterfly fused glass suncatchers, while Oh Kay's has kindly agreed to sell these creations, ensuring that we receive 100% of the proceeds.

Upon learning of our intention to dedicate a space for crafting sellable goods, Discount Tires allocated a portion of their Driven to Care grant for this initiative. This generous contribution will also support the funding of a bocce court, a year of Bloom fitness, and scholarships.

Additionally, we have recently been awarded grants from the Valley Baptist Legacy Foundation, the Carl C. Anderson & Marie Jo Anderson Charitable Foundation (which was a \$20,000 matching grant), and the Mexican Consulate.

Lee's Pharmacy has kindly donated airtime on KURV 710 to help us share our mission and events with the community.

Down Syndrome Walk

Teachers and CAMPers had a fantastic experience at this year's Down Syndrome Walk. This event provided us with a wonderful opportunity to engage with the community and support a meaningful cause. Meanwhile, our CAMPers showcased their talents and entertained the crowd.

C.A.M.P. UNIVERSITY'S 15TH ANNUAL

A NIGHT AT THE

Races

TRANSFORMING LIVES, CELEBRATING ABILITIES

This year's "A Night at the Races" was truly remarkable. It was reported that not only did God make an appearance, but He also showcased His presence in an extraordinary way. The auctioneer engaged the audience, ensuring that the evening was filled with enjoyment and excitement. With each bid, the atmosphere pulsed with anticipation, and laughter resonated as guests participated in playful competition to win sought-after items. The highlight of the night was undoubtedly the exhilarating horse race, where cheers erupted as the horses raced toward the finish line. As the night came to an end, guests left with joyful smiles, treasured memories, and a collective sense of having contributed to a worthy cause.

Thanks to the generosity of our attendees, we exceeded our fundraising goal. The money raised will help us provide a daily educational experience for the CAMPers. To achieve this, we require an additional \$50 for each CAMPer each day, totaling approximately \$1,750 a day.
